**Invitation to Internship Conclave 2021: St. Stephen's College**

St. Stephen's Placement Cell <cpc@ststephens.edu>
To: Tanya Kathpal <digital@eatmynews.com>

Mon, Feb 15, 2021 at 10:00 AM

Dear Ma'am,

The Campus Placement Cell of St. Stephen's College would like to invite **Eat My News** for our flagship event, the 'Internship Conclave 2021', popularly known as the 'I-Con'.

The I-Con is aimed at enabling companies to tap into the vast talent pool at St. Stephen's College and to give them an opportunity to identify and track suitable candidates for future placements, while at the same time, offering an opportunity to students to receive formal work-experience in the company/sector of their choice. Not just that, the conclave creates an environment that allows aspiring entrepreneurs of our College to gain hands-on experience in the field of their preference.

Change is the only constant. Keeping in mind the possibility of remote internships in this academic year, we rebranded our annual Internship Fair (called as I-Fair) as I-Con to include remote internships under its ambit. The first-ever Internship Fair at St. Stephen's College was organized in 2012. I-Fair 2020 saw more than 110 offers being made across fields as varied as research, social work, finance, media, and consultancy, by top companies like **Deutsche Bank, Tommy Hilfiger, Nomura, JSW, Citibank, and E&H Foundation** to name a few.

Students recruited at the I-Con will be available for remote internships (starting immediately) and summer internships (during the summer break as mentioned in the University guidelines).

During the I-Con, companies that register are allotted time slots on their preferred dates to conduct presentations, interviews, group discussions, or tests relevant to the internship profile and thereby release a list of shortlisted and/or wait-listed candidates.

Please find enclosed the brochure of the Campus Placement Cell for the academic year 2020-21. It enlists an extensive profile on our college and our students. A document detailing the internship structure and guidelines has been attached as well. Kindly go through them and feel free to contact me in case any further clarifications or information regarding it is required. To further facilitate this internship procedure, I would request you to fill up our questionnaire [here](#).

We look forward to hosting **Eat My News** at the I-Con 2021.

Dear Team,

The Campus Placement Cell of St. Stephen's College would like to invite **Exploring Infinities** for our flagship event, the '**Internship Conclave 2021**', popularly known as the '**I-Con**'.

The I-Con is aimed at enabling companies to tap into the vast talent pool at St. Stephen's College and to give them an opportunity to identify and track suitable candidates for future placements, while at the same time, offering an opportunity to students to receive formal work-experience in the company/sector of their choice. Not just that, the conclave creates an environment that allows aspiring entrepreneurs of our College to gain hands-on experience in the field of their preference.

Change is the only constant. Keeping in mind the possibility of remote internships in this academic year, we rebranded our annual Internship Fair (called as I-Fair) as **I-Con** to include remote internships under its ambit. The first-ever Internship Fair at St. Stephen's College was organized in 2012. I-Fair 2020 saw more than 110 offers being made across fields as varied as research, social work, finance, media, and consultancy, by top companies like **Deutsche Bank, Tommy Hilfiger, Nomura, JSW, Citibank, and E&H Foundation** to name a few.

Students recruited at the I-Con will be available for remote internships (starting immediately) and summer internships (during the summer break as mentioned in the University guidelines).

During the I-Con, companies that register are allotted time slots on their preferred dates to conduct presentations, interviews, group discussions, or tests relevant to the internship profile and thereby release a list of shortlisted and/or wait-listed candidates.

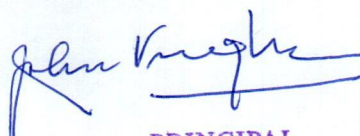

Please find enclosed the brochure of the Campus Placement Cell for the academic year 2020-21. It enlists an extensive profile on our college and our students. A document detailing the internship structure and guidelines has been attached as well. Kindly go through them and feel free to contact me in case any further clarifications or information regarding it is required. To further facilitate this internship procedure, I would request you to fill up our questionnaire [here](#).

We look forward to hosting **Exploring Infinities** at the I-Con 2021.

Warm Regards,

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Shreyansh Goel has interned with Tutor4India from 19/04/2021- 30/06/2021. Shreyansh was working as an Intern in the position of Financial Literacy Curriculum and Content Developer at Tutor4India. During this period, he was responsible for creating the content and module for basic financial literacy for classes 7-10, and working in collaboration with the concerned animators/video editors to ensure effective transformation of the content into visual and graphic presentation. This project aims to provide financial literacy to thousands of middle school students.

Shreyansh was extremely focused and communicative in his responsibilities. He consistently demonstrated an ability to rise to any challenge that he encountered with utmost diligence and patience. We believe that this internship has provided him an in-depth understanding of the ed-tech and fin-tech sector, and a close view of the operations and scaling of a start-up.

We trust that this experience has helped sharpen his overall understanding of the Education Sector at the grass-root level and that he will be able to perform similar assignments in the future in his own capacity.

We wish him all the best!

Thanking you,
Aishwarya Mishra
